

Empowering Moms ★ Promoting Liberty ★ Raising Patriots

Moms for America® is a national, nonprofit, 501(c)(3) corporation, founded in Dayton, Ohio in 2004. **Moms for America®** is a national movement of mothers reclaiming our culture for truth, family, freedom and the Constitution. With a national network of 500,000 moms and growing, **Moms for America®** has become one of the fastest growing movements of women in America; giving voice to the silent majority of women who love God, respect life, treasure family, and cherish freedom.

Our threefold mission is to *Empower Moms*, *Promote Liberty*, and *Raise Patriots*. We fulfill our mission by providing educational resources, programs, and events to support moms in nurturing a love of liberty in the home, advancing freedom in their communities, and protecting those freedoms with their vote. With all that has transpired over the last year, it is more evident than ever just how vital the mission of **Moms for America®** is in reclaiming our culture and restoring the Republic.

Moms for America® is rooted in the principles of liberty and virtue our nation was founded on and focuses all our efforts on promoting a love of liberty in the home, through the mothers of America, while providing a powerful voice of reason in the cultural and political issues of our day.

Through our signature program, *The Cottage Meeting Project*, **Moms for America®** provides valuable resources to help moms raise and nurture strong, virtuous, resilient children who will grow into a mighty generation of youth filled with the knowledge, courage, and wisdom to *raise* the standard of civility, *secure* the blessings of liberty, and *sustain* a free and prosperous America. We don't believe the greatest generation is behind us. We believe it is before us!

*The Mothers of a country mold its citizens,
determine its institutions, shape its destiny.*
